

What We Have Done For First Responders

Summary: The Foundation has presented more than 250 students with scholarships nationwide. We have donated 20 police motorcycles to escorting departments. Assisted EMS, Fire & Police Depts. with equipment and funds across the country.

Message From The Board

Over the last 20 years, the America's 911 Foundation has been able to support these heroes, their families and departments. Our goal for is to raise even more for our First Responders so we can provide more.

This goal cannot be reached without your contributions. Everyone associated with the foundation donates their time and energy for this worthwhile cause, we are a 100% Volunteer Foundation.

In the days following the attacks, our country's streets were lined with Americans waving flags and saying "**Thank You**" to every First Responder that went by. Say "**Thank You**" again to these heroes by making a donation to the America's 911 Foundation, Inc. Your contributions are fully tax deductible, as allowed by law, and may be made through the website or by sending a check.

There is no better way to say "Thank You" to these HEROES. On behalf of the foundation and every First Responder across the nation, **we thank you for your support.**

How You Can Help

Ask your friends people at work or church to sponsor your efforts. Ask those in your other outside activities to sponsor you and watch how the funds grow. Donation receipts for those who support your efforts are located below.
