

## America's 911 Foundation: February Newsletter

Happy February! We hope everyone has been enjoying the winter, but spring is just around the corner. We thank everyone who has helped us support our first responders while also never forgetting September 11, 2001.

### Scholarships

For those who do not know, the main way we give back to our first responders is by giving away college scholarships every year to first responders or their children. Our scholarship application is open via [www.americas911foundation.org](http://www.americas911foundation.org), but the DEADLINE is March 10 2024! Spread the word! If you know of an active first responder, or a child of an active first responder, going to college, pass along our information. We give away at least 15 \$2,000 scholarships every year. We are also looking for *volunteers* to help read and score scholarship essays, so if you feel so inclined – please email Allison Jenkins at [allisonj@americas911foundation.org](mailto:allisonj@americas911foundation.org).

## Prayer for the First Responder

Lord, we humbly pray that you be with all first responders this month in the wake of life, frustration, and the fallibility of man. As the EMT's rush to revive individuals they've never met, lift their spirits and guide their hands, as firefighters run into buildings ready to collapse, grant them courage and protect their bodies, and as police officers patrol every day, help them to spread light into a world of darkness while they serve and protect. Thank you for all your wonderful blessings, AMEN.
